

TRUCK CAPS ♦ COVERS ♦ CARGO MANAGEMENT SYSTEMS

A HISTORY OF QUALITY - Jason Caps began because of one family's vision to build sturdy and durable pickup bed caps. Jason was one of the first "truck shell" manufacturers to switch to fiberglass construction methods in the mid-1970s.

MADE IN THE U.S.A. - Jason products are manufactured with pride in Ottawa, Kansas, and Elkhart, Indiana.

LIMITED LIFETIME WARRANTY - We back our products with the best limited lifetime warranty in the industry.

Built to Handle All Your Journeys
